VIP PET RESORT is dedicated to giving your pet the very best care !

Our talented, caring and compassionate groomers will put your pet's health and well being first.

We want you to be satisfied and happy with your pet's grooming experience. Our staff will always be available to talk to you by phone or in person.

We do grooming for all dog breeds and cats!

Pricing varies per breed, size, temperament, length of fur and coat condition.

EVERY APPOINTMENT begins with a personal consultation with your groomer.

We'll discuss the cut and style that you want.

We'll also talk about your pet's coat and skin condition.

You can bring pictures of the cut style that you'd like so we can make sure you are very happy!

For new customers, it would be best if you could stop by and let our experts discuss pricing for your pet.

There are several factors that might influence the final cost of your pet's grooming:

1. The length of time that it takes to gently groom your pet will influence the final cost. Heavily matted hair will take extra time, which will increase the final expense.
2. We may need extra time too, if we treat for fleas, remove ticks or calm an excited or aggressive pet.

Your individual consultation with our groomers will enable us to work together to plan your pet's most successful grooming experience.

Please Note: Pets that are groomed on a regular basis are happier, healthier, prettier and cost the least to keep-up!
